

The Postgraduate Institute of Science is proud to present the seventh PGIS Research Congress, 'RESCON2020'.

The Research Congress is an ideal platform for researchers to share their findings, and to open avenues for new innovation and collaboration.

Authors are invited to submit their original work to be presented at the Research Congress through the official website:

<http://www.pgis.lk/rescon2020>

Submissions will be subjected to blind review. Abstracts may be submitted either for oral presentation or poster presentation.

Early Bird Registration

Students	LKR 750
Others	LKR 1250
International	USD 75

Regular Registration

Students	LKR 1250
Others	LKR 2000
International	USD 100

Submissions will be accepted via the online submission system.

Complete submissions should include:

1. A duly filled submission form
2. Blind abstract (not including author names)
3. Blind extended abstract
4. Author declaration form
5. Author checklist

Details of ALL AUTHORS must be added to the "Authors" section of the submission page, and the corresponding author should be indicated.

The Editorial Board reserves the right to change the Theme of the abstract identified by the authors, to a more relevant Theme, if necessary. Results presented or published elsewhere will not be considered.

The abstract should summarize the methods, results, and conclusions of the study. If accepted, abstracts will be published in the 'Proceedings of the Postgraduate Institute of Science Research Congress 2020'.

Format: Abstracts should be limited to one A4 sized page, with a left margin of 3.0 cm, and all other margins kept at 2.5 cm. The font 'Times New Roman' of size 12 should be used with single line spacing. All abstracts must be written and submitted in English, using Microsoft Word 2007 (or later) or PDF.

TITLE should be brief and should reflect the study carried out. The letters should be bold uppercase and center aligned. Scientific names in the title should be written in uppercase italics.

For more detailed guidelines on formatting visit www.pgis.lk/rescon2020

Inclusion of an extended abstract is mandatory for reviewing. Formatting of the extended abstract should be similar to that of the abstract, giving priority to the results and discussion, within 2-3 pages. Figures and tables should be clearly presented and be included within the stipulated page limits.

The extended abstract should be organized under the following subtopics:

1. Title
2. Introduction (with objectives)
3. Materials and Methods
4. Results
5. Discussion
6. Conclusion/s (with outcomes)
7. References

Once accepted, abstracts together with reviewer comments will be made available to authors. A final camera-ready submission is required which includes suggested changes to the abstract.

Further details on the format of camera-ready submissions will be notified to authors of accepted papers.

Please note that it is mandatory for accepted abstracts to be presented by one of the authors. Authors are expected to inform the Editorial Board or take necessary action if unavailable to present the abstract in person.

If an accepted abstract is not presented, the authors will not be allowed to submit abstracts for the PGIS Research Congress for a period of three years.

Call for Abstracts	April 1, 2020
Deadline for Abstracts Submission <small>(extended)</small>	July 31, 2020
Notification of Acceptance	Sept 30, 2020
Submission of Revised Abstracts	Oct 07, 2020
Early Bird Registration	Oct 12, 2020
Regular Registration	Oct 22, 2020
Inauguration & Dinner	Nov 26, 2020
Technical Sessions	Nov 27 & 28, 2020

Session Themes

Abstracts can be submitted under the following five themes:

- Earth and Environmental Sciences
- ICT, Mathematics and Statistics
- Life Sciences
- Physical Sciences
- Science Education

Full papers of selected abstracts will be published in a Special Issue of the Ceylon Journal of Science.

The Postgraduate Institute of Science (PGIS) is a premier institute of higher learning in Sri Lanka. Established in 1996, the PGIS offers Ph.D., M.Phil., M.Sc. degree programmes, and diploma programmes covering over 20 fields of science.

Located centrally in the premises of the University of Peradeniya, the PGIS offers exciting opportunities for students to pursue higher studies, and provides impetus to the enhancement of scientific research.
