### ABOUT PGIS RESCON

The Annual Research Congress of the Postgraduate Institute of Science (RESCON 2022) is the premier postgraduate science conference in Sri Lanka. This year, we expect more than 250 authors to present their work in the technical sessions on the following themes.

- Earth and Environmental Sciences
- ICT, Mathematics, and Statistics
- Life Sciences
- Physical Sciences
- Science Education

The Pre-conference Workshop on International Collaborative Research is an online workshop featuring researchers worldwide, where they can share their stories and collaborate with Sri Lankan students/academics on scientific research.
